§ 64.608 Enforcement of related customer premises equipment rules.

Enforcement of §§ 64.606 and 64.607 is delegated to those state public utility or public service commissions which adopt those sections and provide for their enforcement. Subpart G—Furnishing of Enhanced Services and Customer-Premises Equipment by Communications Common Carriers

Subpart G—Furnishing of Enhanced Services and Customer-Premises Equipment by Communications Common Carriers; Telephone Operator Services

§ 64.702 Furnishing of enhanced services and customer-premises equipment.

(a) For the purpose of this subpart, the term *enhanced service* shall refer to services, offered over common carrier transmission facilities used in interstate communications, which employ computer processing applications that act on the format, content, code, protocol or similar aspects of the subscriber's transmitted information; provide the subscriber additional, different, or restructured information; or involve subscriber interaction with stored information. Enhanced services are not regulated under title II of the Act.

(b) Communications common carriers subject, in whole or in part, to the Communications Act may directly provide enhanced services and customer-premises equipment; provided, however, that the Commission may prohibit any such common carrier from engaging directly or indirectly in furnishing enhanced services or customer-premises equipment to others except as provided for in paragraph (c) of this section, or as otherwise authorized by the Commission.

(c) A communications common carrier prohibited by the Commission pursuant to paragraph (b) of this section from engaging in the furnishing of enhanced services or customer-premises equipment may, subject to other provisions of law, have a controlling or lesser interest in, or be under common control with, a separate corporate entity that furnishes enhanced services or customer-premises equipment to others provided the following conditions are met:

(1) Each such separate corporation shall obtain all transmission facilities necessary for the provision of enhanced services pursuant to tariff, and may not own any network or local distribution transmission facilities or equipment.
